To whom it may concern:

MacKenzie Company has been utilizing the analytical services of Mr. Majdosz since 2008. During this time we have obtain a variety of complex multidimensional statistical models, estimating procedures, and forecasts. Pawel has consistently easily under our business problems and translated them without significant support requirement into technical projects.

The analytical solutions have always surpassed our expectations, and we are pleased to continue our relationship. It is my pleasure to introduce you to Majdosz, and I think it would be hard for you to do better in your selection of superior mathematical and statistical research needs.

Regards,

Jeff L. MacKenzie
